GENERAL INFORMATION

Core Values

Mission to the Nations. Northpoint College is committed to preparing students to carry the good news of Jesus Christ to the nations. Because of this vision to reach the nations, Northpoint prioritizes affordability for its students and embraces diversity among its staff, faculty, and student body.

Pentecostal Identity. Northpoint values the baptism in the Holy Spirit as an experience that empowers believers to preach the gospel of Jesus Christ. Northpoint also recognizes the ongoing need for the gifts of the Spirit and encourages their practice.

Academic Excellence. Northpoint provides a robust academic experience that prepares students for a life of ministry and the pursuit of advanced degrees. Students engage in a rigorous examination of Scripture and acquire the discipline for lifelong learning.

Practical Ministry Skills. Northpoint is committed to helping students develop a variety of practical ministry skills through classroom instruction, internships, field experiences, missions trips, and Assemblies of God network functions.

Christian Maturity. Northpoint prioritizes spiritual growth that is evidenced by a commitment to Christ's church, the development of a righteous lifestyle, and the exercise of loving relationships.

Educational Philosophy

Northpoint is committed to preparing leaders who can meaningfully participate in the continuing work of Jesus.

This commitment involves the formation of the whole person. A rigorous curriculum of general education, philosophy, theology, biblical studies, and field-specific studies prepares the student as a thought leader for the persons and communities he or she will influence. Intentional formation of healthy, caring leaders prepares the student for life-giving service. Attention to spiritual development and growth prepares the student to lead with an eternal perspective and from a worldview grounded in the mission of Jesus. An emphasis on applied learning, working from theology, philosophy, and field-specific knowledge to hands-on practice, prepares the student to enact those ideas with skill and excellence.

Our Institutional Goals

Northpoint College is committed to accomplishing the following goals:

- To providing a genuinely cost-efficient educational experience that releases students, upon graduation, to pursue mission-minded vocations of compassion, service, and entrepreneurship unencumbered by substantial student debt.
- To provide a robust academic experience. Northpoint College is committed to providing students with an educational experience with outcomes relevant to their vocation and to confer such degrees and grant such honors as are usually and customarily conferred in accredited institutions. Staff, faculty, and students are expected to bring passion, skill, and enthusiasm for academic preparation and the Christian faith to every area of the college experience.
- To foster personal and relational health. Northpoint College is committed to seeing its students and graduates embody the life-giving attributes of the Gospel both personally and inter-personally. Staff, faculty, and students will be encouraged and expected to continually grow in love to all people, productively work toward reconciliation in all relationships, and communicate in the diversity of human relationships in a way that is consistent with the Gospel of Jesus Christ.
- To exercise a disciplined focus on preparing people for participation in the continuing work of Jesus. Northpoint College is committed to creating an environmental, curricular, staff, and faculty experience intentionally oriented toward preparing students to embody the Gospel in personal character, interpersonal relationships, and proclaimed message.
- To experience the reality of being God’s spiritual community. The direct activity of God, by the Holy Spirit, will be welcomed in the individual and corporate life of the College through His experienced presence, His active calls to encouragement and repentance, and through the miraculous.

Our Spiritual and Moral Standards

Northpoint College is an educational institution that is affiliated with the General Council of the Assemblies of God and is a member of the Alliance for Assemblies of God Higher Education.

The board members of Northpoint College support the mission of the Assemblies of God, and many members of Northpoint’s staff and faculty hold ministerial credentials with the Assemblies of God.

Northpoint College asks all applicants for matriculation into any of its programs to affirm that they are born-again Christians, that they desire to be involved in Christian service, and that they agree with the accepted essentials of the Christian faith as held by the Assemblies of God. Applicants must also provide a letter of recommendation from a pastor.

Student life at Northpoint College is also shaped by our commitment to biblical precepts. Northpoint College shares the Assemblies of God’s conviction that Christian colleges and universities should form their students both academically and spiritually. Northpoint College helps stimulate students’ appreciation for the Holy Scripture and encourages students to

pursue spiritual maturity and excellence. Northpoint College is dedicated to strengthening our students' appreciation of and attachment to the Christian Church, especially the Pentecostal tradition and the Assemblies of God. Each student is required to be involved in a ministry or other approved Christian service for at least two semesters.

As part of our commitment to developing a robust Christian community, Northpoint College holds a mandatory chapel service every week. Students may also participate in regularly scheduled prayer meetings and days of fasting.

As a Christian institution, Northpoint College believes that all matters of faith and conduct must be evaluated on the basis of Holy Scripture, which is our infallible guide (2 Tim 3:16-17). As a school founded in and inspired by the Assemblies of God tradition, Northpoint College holds to the precepts articulated by the Assemblies of God and listed below.

Human Dignity: The Assemblies of God believes that God created humankind in His image and that people receive their essential dignity from the fact that they are created in God's image and are loved by Him (Gen 1:27). This dignity does not depend on whether someone is single or married or on whether someone suffers from any particular temptation to sin (1 Cor 7; Rom 5:8).

Abortion: The Assemblies of God believes that human beings bear the image of God and receive their essential identity and dignity before we are born (Luke 1:31-44; Acts 7:19; Job 31:15; Ps 139:13-16). As such, the Assemblies of God believes that abortion is the killing of innocent human life and is therefore prohibited by the Ten Commandments and elsewhere throughout Scripture (Exod 20:13, 21:22-24; Matt 19:18; Rom 13:9).

Marriage: The Assemblies of God defines marriage as the permanent, exclusive, comprehensive, and conjugal "one flesh" union of one man and one woman, intrinsically ordered to procreation and biological family, and in furtherance of the moral, spiritual, and public good of binding father, mother, and child. The Assemblies of God teaches that the purpose of Christian marriage is to reflect the love, purity, and permanence between Christ and the Church (Eph 5:23-33).

Sexual Conduct: The Assemblies of God believes that God has designed sexual intimacy for marriage and that sexual acts outside of marriage are sinful. Such acts include but are not limited to adultery, fornication, incest, bestiality, pornography, masturbation, prostitution, voyeurism, pedophilia, exhibitionism, sodomy, polygamy, polyamory, or same-sex sexual acts. (Exod 20:14; Lev 18:7-23; 20:10-21; Deut 5:18; Matt 5:27-28; 15:19; Rom 1:26-27; 1 Cor 6:9-13; Gal 5:19; Eph 4:17-19; Col 3:5; 1 Thess 4:3; Heb 13:4).

Sexual Orientation: The Assemblies of God affirms the sexual complementarity of man and woman and teaches that same-sex sexual attractions are temptations to sin and should therefore be resisted. (Gen 1:27; 2:24; Matt 19:4-6; Mark 10:5-9; Rom 1:26-27; 1 Cor 6:9-11).

Sexual Identity: The Assemblies of God believes that God created humankind in His image, male and female, sexually different but with equal personal dignity. The church supports the dignity of individual persons affirming their biological sex and discouraging any and all attempts to physically change, alter, or disagree with their predominant biological sex—including but not limited to elective sex-reassignment, transvestite, transgender, or nonbinary “genderqueer” acts or conduct. (Gen 1:26–28; Rom 1:26–32; 1 Cor 6:9–11).

Sexual Equality: The Assemblies of God believes that men and women have equal dignity before God and does not make any distinction between the sexes when selecting people for ministry or spiritual leadership positions. Having observed that God pours out His Spirit upon both men and women, the Assemblies of God concludes that God gifts both sexes for ministry in His Church.

Northpoint College believes and embraces these teachings and has integrated them into its standards for its administrators, faculty, and students. In order to help foster these standards and to help ensure that Northpoint College is a relationally healthy place, Northpoint College has adopted an Honor Code and policy manuals that clearly outline policies regarding expectations for faculty, staff and student behavior, accountability, rules and disciplinary actions, and other general expectations for student life on campus.

None of this is to say that Northpoint College or the Assemblies of God excludes anyone based on their sins or based on their temptations. The Assemblies of God believes that all have sinned and fall short of the glory of God and should seek redemption through confession, repentance, baptism, and faith in Jesus Christ. We welcome and treat with respect, compassion, and sensitivity all who experience same-sex attractions or confess sexually immoral acts and are committed to resisting sexual temptation, refraining from sexual immorality, and transforming their behavior in the light of biblical teachings (Matt 11:28–30; Rom 3:23; 1 Cor 10:13; Eph 2:1–10; Heb 2:17–18; 4:14–16). However, in keeping with our biblical beliefs about sexual morality, Northpoint College cannot in good conscience support or encourage an individual to live in conflict with biblical principles. Any individual who violates campus standards for biblical living is subject to discipline, including expulsion.

Northpoint College believes that its policies and practices, informed by Assemblies of God teachings, do not discriminate on the basis of gender.

Admissions and Student Discipline. Based on the convictions listed above, Northpoint College believes that it cannot fulfill its God-given mission and build an intentional Christian community if it cannot require faculty, staff, and students to embrace and to follow the Assemblies of God’s teachings about sexual morality and sexual identity. These convictions shape Northpoint College’s hiring and admissions policies and student discipline policies.

Restrooms and Locker Rooms. Based on the convictions listed above, Northpoint College expects all faculty, staff, and students to embrace their God-given biological sex. This

expectation shapes Northpoint College's policies regarding restroom and locker room use and participation in athletic activities.

Marriage, Sexual Conduct, and Abortion. Based on the convictions listed above, Northpoint College expects all students, faculty, and administrators to honor the Assemblies of God's teachings on marriage, sexual conduct, and abortion.

The Assemblies of God Statement of Faith

1. **The Scriptures are Inspired.** The Scriptures, both the Old and New Testaments, are verbally inspired of God and are the revelation of God to man, the infallible, authoritative rule of faith and conduct (2 Tim 3:15-17; 1 Thess 2:13; 2 Peter 1:21).
2. **The One True God.** The one true God has revealed himself as the eternally self-existent "I AM," the Creator of heaven and earth and the Redeemer of mankind. He has further revealed Himself as embodying the principles of relationship and association as Father, Son, and Holy Spirit (Deut 6:4; Isa 43:10, 11; Matt 28:19; Luke 3:22).
3. **The Deity of the Lord Jesus Christ.** The Lord Jesus Christ is the eternal Son of God. The Scriptures declare:
 - a. His virgin birth (Matt 1:23; Luke 1:31, 35).
 - b. His sinless life (Heb 7:26; 1 Peter 2:22).
 - c. His miracles (Acts 2:22; 10:38).
 - d. His substitutionary work on the cross (1 Cor 15:3; 2 Cor 5:21).
 - e. His bodily resurrection from the dead (Matt 28:6; Luke 24:39; 1 Cor 15:4).
 - f. His exaltation to the right hand of God (Acts 1:9,11; 2:33; Phil 2:9-11; Heb 1:3)
4. **The Fall of Man.** Man was created good and upright; for God said, "Let us make man in our image, after our likeness." However, man by voluntary transgression fell and thereby incurred not only physical death but also spiritual death, which is separation from God (Gen 1:26, 27; 2:17; 3:6; Rom 5:12-19).
5. **The Salvation of Man.** Man's only hope of redemption is through the shed blood of Jesus Christ the Son of God.
 - a. *Conditions to Salvation.* Salvation is received through repentance toward God and faith toward the Lord Jesus Christ. By the washing of regeneration and renewing of the Holy Spirit, being justified by grace through faith, man becomes an heir of God according to the hope of eternal life (Luke 24:47; John 3:3; Rom 10:13-15; Eph 2:8; Titus 2:11; 3:5-7).
 - b. *The Evidences of Salvation.* The inward evidence of salvation is the direct witness of the Spirit (Rom 8:16). The outward evidence to all men is a life of righteousness and true holiness (Eph 4:24; Titus 2:12).
6. **The Ordinances of the Church**
 - a. *Baptism in Water.* The ordinance of baptism by immersion is commanded in the Scriptures. All who repent and believe on Christ as Savior and Lord are to be baptized. Thus they declare to the world that they have died with Christ and that they also have been

raised with Him to walk in newness of life (Matt 28:19; Mark 16:16; Acts 10:47, 48; Rom 6:4).

b. Holy Communion. The Lord's Supper, consisting of the elements—bread and the fruit of the vine—is the symbol expressing our sharing the divine nature of our Lord Jesus Christ (2 Peter 1:4); a memorial of His suffering and death (1 Cor 11:26); and a prophecy of His second coming (1 Cor 11:26); and is enjoined on all believers “till He come!”

7. **The Baptism in the Holy Spirit.** All believers are entitled to and should ardently expect and earnestly seek the promise of the Father, the baptism in the Holy Spirit and fire, according to the command of our Lord Jesus Christ. This was the normal experience of all in the early Christian church. With it comes the enduement of power for life and service, the bestowment of the gifts and their uses in the work of the ministry (Luke 24:49; Acts 1:4, 8; 1 Cor 12:1-31). This experience is distinct from and subsequent to the experience of the new birth (Acts 8:12-17; 10:44-46; 11:14-16; 15:7-9). With the baptism in the Holy Spirit come such experiences as an overflowing fullness of the Spirit (John 7:37-39; Acts 4:8), a deepened reverence for God (Acts 2:43; Heb 12:28), an intensified consecration to God and dedication to His work (Acts 2:42), and a more active love for Christ, for His Word, and for the lost (Mark 16:20).
8. **The Initial Physical Evidence of the Baptism in the Holy Spirit.** The baptism of believers in the Holy Spirit is witnessed by the initial physical sign of speaking with other tongues as the Spirit of God gives them utterance (Acts 2:4). The speaking in tongues in this instance is the same in essence as the gift of tongues (1 Cor 12:4–10, 28), but different in purpose and use.
9. **Sanctification.** Sanctification is an act of separation from that which is evil, and of dedication unto God (Rom 12:1, 2; 1 Thess 5:23; Heb 13:12). Scriptures teach a life of “holiness without which no man shall see the Lord” (Heb 12:14). By the power of the Holy Spirit we are able to obey the command: “Be ye holy, for I am holy” (1 Peter 1:15, 16). Sanctification is realized in the believer by recognizing his identification with Christ in His death and resurrection, and by faith reckoning daily upon the fact of that union, and by offering every faculty continually to the dominion of the Holy Spirit (Rom 6:1-11,13; 8:1,2,13; Gal 2:20; Phil 2:12,13; 1 Peter 1:5).
10. **The Church and Its Mission.** The Church is the body of Christ, the habitation of God through the Spirit, with divine appointments for the fulfillment of her Great Commission. Each believer, born of the Spirit, is an integral part of the general assembly and church of the firstborn, which are written in heaven (Eph 1:22, 23; 2:22; Heb 12:23).
11. **The Ministry.** A divinely called and scripturally ordained ministry has been provided by our Lord for the fourfold purpose of leading the Church in: (1) evangelization of the world (Mark 16:15–20), (2) worship of God (John 4:23,24), (3) building a Body of saints being perfected in the image of His Son (Eph 4:11,16), and (4) meeting human need with ministries of love and compassion (Ps 112:9; Gal 2:10; 6:10; James 1:27)
12. **Divine Healing.** Divine healing is an integral part of the gospel. Deliverance from sickness is provided for in the Atonement, and is the privilege of all believers (Isa 53:4,5; Matt 8:16,17; James 5:14–16).

13. **The Blessed Hope.** The resurrection of those who have fallen asleep in Christ and their translation together with those who are alive and remain unto the coming of the Lord is the imminent and blessed hope of the Church (1 Thess 4:16,17; Rom 8:23; Titus 2:13; 1 Cor 15:51,52).
14. **The Millennial Reign of Christ.** The second coming of Christ includes the rapture of the saints, which is our blessed hope, followed by the visible return of Christ with His saints to reign on the earth for one thousand years (Zech 14:5; Matt 24:27,30; Rev 1:7; 19:11–14; 20:1–6). This millennial reign will bring the salvation of national Israel (Ezek 37:21, 22; Zeph 3:19, 20; Rom 11:26, 27) and the establishment of universal peace (Isa 11:6–9; Ps 72:3–8; Mic 4:3, 4).
15. **The Final Judgment.** There will be a final judgment in which the wicked dead will be raised and judged according to their works. Whosoever is not found written in the Book of Life, together with the devil and his angels, the beast and the false prophet, will be consigned to everlasting punishment in the lake which burneth with fire and brimstone, which is the second death (Matt 25:46; Mark 9:43–48; Rev 19:20; 20:11–15; 21:8).
16. **The New Heavens and the New Earth.** “We, according to His promise, look for new heavens and a new earth, wherein dwelleth righteousness” (2 Peter 3:13; Rev 21,22).

The Campus

Location

Northpoint is located on the property of Grand Rapids First Church. This unique partnership between Grand Rapids First and Northpoint enables the college to offer cost-effective education. As the second largest city in Michigan, Grand Rapids offers numerous opportunities for both leisure and employment. It hosts the annual Festival of the Arts and ArtPrize. It is also the site of many unique restaurants, parks, the Gerald R. Ford Presidential Museum, the Frederik Meijer Gardens and Sculpture Park, and other places of interest. Grand Rapids is situated on the Grand River and is less than an hour’s drive from Lake Michigan.

Campus Facilities

Administrative Offices. Access to Northpoint is through Grand Rapids First entry G. The administrative offices are located on the second floor of the educational facility to the west of The Commons.

Educational Facility. Northpoint enjoys the use of a beautiful 35,000 sq. ft. educational facility and gymnasium on the property of Grand Rapids First Church. Access is through entry G.

Gymnasium. The gym at Northpoint is located on the first floor of the educational facility. This large gym features two basketball courts and serves as a multipurpose room for numerous recreational activities.

Library. The Northpoint library is located on the east wing of the educational facility. Students may search the library database through their student account in Populi, our learning management system.

The Commons. Students enjoy times of leisure and interaction with one another in The Commons, a student lounge located on the second floor of the educational facility. This area is furnished with kitchen facilities for mealtimes and has a space for recreational games.

The Upper Room. This beautiful facility is located on the second floor and can be accessed through Grand Rapids First entry I. Monday morning chapel services and prayer meetings are held in this room.

The Life Center. The Life Center is located on the northwest corner of Grand Rapids First's property. This first-class multipurpose facility houses a large gym and various fellowship and recreational areas.

STUDENT LIFE

Spiritual Life

Northpoint College takes seriously and is committed to individually and corporately experiencing the reality of being God's spiritual community. Northpoint welcomes the direct activity of God via his Holy Spirit through his experienced presence, through his active calls to encouragement and repentance, and through his miraculous gifts.

Chapel Services

Every Monday morning the Northpoint community gathers together for a time of worship. The student worship team leads the service with an enthusiastic and meaningful time of praise. Various speakers add to this encouraging and transformative atmosphere of God's presence by challenging students to draw nearer to Christ, develop a heart for God's mission, walk in purity, and pursue the call of God. These speakers represent diverse backgrounds and include pastors, missionaries, and various ministry leaders who bring a wealth of practical ministry experience to the chapel service.

Chapel services at Northpoint are characterized by a strong sense of loving fellowship and an openness to the moving of the Holy Spirit. It is not unusual for services to conclude with times of intimate personal communion with God and prayer for one another.

Days of Prayer and Fasting

Northpoint views communion with God as a fundamental priority with transformative power in the life of the believer. Throughout the academic year, the community observes several days of prayer and fasting. Students are encouraged to fast on the designated days and attend a time of prayer during the lunch break. These special seasons of prayer and fasting assist the community in maintaining proper priorities and perspective during a busy time of life.

Life Groups

Life Groups play a vital role in the holistic development of students' academic, emotional, and spiritual life. Focusing on relationships, academics, overall health, time management, spiritual development, ministry leadership, and accountability encourages our students to grow across all facets of everyday life in ministry. Life Groups meet once per month following chapel service, and students enjoy a lunch provided by Northpoint.

Personal Devotions

Northpoint is concerned with the personal and spiritual development of every student as well as academic progress. For this reason, Northpoint encourages every student to establish a lifestyle of daily devotions. Genuine ministry preparation and long-term success begin with practicing the presence of God on a daily basis.

Emotional Health

The Northpoint family is interested in helping prepare all students and graduates to become healthy leaders who are life-giving followers of Jesus. Northpoint integrates various emotional health assessments into the curriculum to enable students to pursue emotional wholeness. Northpoint also has a network of relationships built with Christian counselors and can recommend competent professionals to assist students in need.

Student Services

Advising

Students will find that staff members and faculty are willing and eager to listen to and encourage them in times of need. Informal levels of counseling in areas of personal, social, spiritual, and emotional development are available as requested or deemed necessary. Academic advising is provided to all students as a fundamental need. An Academic Advisor is appointed to each student upon acceptance to Northpoint. The Registrar also serves as an Academic Advisor and is available to assist in course planning and selections and monitor the student's progress in fulfilling graduation requirements.

Books

Grand Rapids has several major Christian publishing companies. Baker Books provides an outlet store with new books, discounted overstock and damaged books, and a library of used books. Baker gives a 20% discount on new books to students with a Northpoint ID. The discount increases to 30% if the student purchases a required textbook and presents the accompanying course syllabus at the checkout. Students may also take advantage of online services such as Christian Book Distributors and Amazon.

Health Care

Should a student need medical attention, a number of medical facilities are located within a few minutes of the school.

Library

Students may search the library database through their student accounts in Populi, Northpoint's learning management software. Students have access to two databases in EBSCOhost via Populi: Religion & Philosophy Collection™ and eBook Religion Collection.

Students at Northpoint may also search the Michigan eLibrary (MeL) for resources. MeL grants access to students who are on Northpoint's campus by recognition of the Northpoint I.P. address. EBSCOhost collections can be accessed through MeL.

Students have additional access to resources at other local libraries, including the Hekman Library at Calvin College and Theological Seminary. Check-out cards are available for a modest

fee and include in-house computer access to databases and journals, as well as borrowing privileges. Students may also purchase a library card from the Miller Library at Cornerstone University. Purchase of a card at Cornerstone enables students to access their resources for one year. Students who use these libraries are subject to their library policies.

Security

To ensure the safety of our community, entry doors to Northpoint buildings remain locked during school. Staff and students are issued a proximity card which allows access to Northpoint buildings. Security cameras are located throughout the campus and are monitored by security.

Sports and Physical Fitness

Opportunities for physical exercise and recreation are provided through The Commons, the Life Center, and the gymnasium. A pool table and foosball table are available in The Commons. The Life Center has ping-pong tables, pool tables, foosball tables, a dodgeball court, a gaga court, basketball court, and volleyball court. Students may use this facility during scheduled community times of fellowship. The gymnasium is available during school hours for students to enjoy between classes.

Students with Disabilities

In accordance with the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act, individual adjustments are facilitated in a designated study area which allows students with learning disabilities to perform the tasks required. Providing an alternative setting that allows extended time enables individuals with disabilities to demonstrate their mastery of the subject matter that is tested. Students with disabilities may also receive assistance with assignments, research, formatting, and peer editing through student tutors who have demonstrated academic success.

Transportation

Northpoint provides ample free parking for students who have motor vehicles with proper registration and insurance coverage.

Wireless Connection

WiFi is available throughout the campus.

Community Living

College Orientation

In early September, Northpoint hosts all new students for a day of building relationships and orientation. Staff members address policies and procedures relating to all phases of campus life. At this time, each student receives an ID badge, training in Northpoint's learning management system, and online access to the *Student Handbook*. Each student also receives helpful information about the Grand Rapids area.

Orientation day is not all business. Students also participate in recreational and team-building activities and share meals provided by Northpoint.

Housing

There are a number of apartment complexes within walking distance of the campus. These are available in a variety of configurations and at a reasonable price for students who want to live near the school. Northpoint also has an arrangement with an apartment complex near the school to provide housing for new students. Students may contact the Admissions Director or Student Life Coordinator for more information. For students who commute but need overnight accommodations, Northpoint has a relationship with a local hotel for cost-effective lodging.

Privacy of Information

Under the Family Educational Rights and Privacy Act of 1974, the following types of information may be made public unless the student desires to withhold all or any portion of it:

Information for school directory (this includes name, address, telephone number, major fields of study, participation in officially recognized activities and sports, dates of attendance, and degrees and awards received), information needed by school officials within the college, information requested by officials of other schools to which the student is seeking admission, information requested by Federal or State educational authorities, information needed in connection with the receipt of financial aid, information released pursuant to state law or subpoena, information requested by accrediting organizations, and information requested by parents of dependent students.

Any student wishing to withhold any or all of this information should fill out, in person, the appropriate form that is available at the Office of the Registrar. Additionally, all requests for information by persons other than the student will not be released without written authority from the student. *Exception:* Parents of students under the age of 18 may have access to the student's file provided that the appropriate Release of Records form is filed.

Relationships and Christian Maturity

The assembling of so many people with such diverse backgrounds, experiences, and perspectives creates the potential for tremendous personal development as well as the possibility of conflict. Northpoint values honest relationships in which every member of the community follows the loving, biblical precedent found in Matthew 18:15-17. Consistent with Matthew's direction to speak privately to an individual who has caused offense, Northpoint views conflicts as opportunities for growth and for exercising spiritual maturity.

Social Aspects

Students can enjoy recreational community nights, pizza parties, semester-end parties, and a Christmas celebration. Some classes also offer field trips, such as the Greek class's trip to the University of Michigan's Papyrological Collection and Kelsey Museum.

There are also ample opportunities in the Grand Rapids area for leisure activities, and the beautiful shoreline of Lake Michigan is just a short drive from Grand Rapids. Sleeping Bear Dunes National Lakeshore is located less than a three-hour drive from the school.

Standards of Conduct

Although it is sometimes difficult to measure non-academic growth and development, Northpoint places much value on ethical, moral, and interpersonal behaviors. The awarding of degrees reflects more than academic achievement—spiritual maturity and personal integrity are reflected as well.

Northpoint has established a framework of guidelines and regulations that require cooperation and self-discipline on the part of each student. Spiritual guidelines for students at Northpoint College are purposefully high. They could not be otherwise for a college that is committed to following biblical principles. Northpoint realizes that spirituality cannot be forced on anyone, however, the College does expect the student to be amenable to counsel and guidance. A consistent, personal devotional life, along with the faithful fulfillment of responsibilities, is a prerequisite to spiritual growth. Northpoint seeks to help the student cultivate personal habits that will bring honor to the name of the Lord Jesus Christ. The College has the responsibility, under God, to maintain school behavioral standards that are above reproach. There are certain specific practices considered to be hindrances to one's spiritual growth and development. The Northpoint *Student Handbook* presents specific expectations regarding student behavior. As per the *Student Handbook*, all students must sign the Code of Conduct.

A student enrolling at Northpoint College indicates his/her readiness to accept the requirements that Christian leadership involves. This is exemplified by one's pattern of dress, personal appearance, speech, and general behavior. Northpoint expects its students to dress, speak, and act appropriately at all times: in classrooms, The Commons, the gymnasium, and any off-campus events. The standards concerning student behavior are set forth in detail in the *Student Handbook*.

Student Organizations

Alumni Association

Northpoint graduates and students who have completed one year or more may participate in the alumni association. This association provides a means by which students can network, maintain relationships, continue to support the vision of Northpoint, and meet for fellowship.

Life Group Leaders

Life Group Leaders are selected by the Student Life Coordinator to provide assistance and leadership to the student body. They meet with the Coordinator once per month for instruction, prayer, and discussion. Life Group Leaders lead the monthly Life Groups to help

ensure that students have social connections, maintain a strong spiritual life, and are accountable to others. They also assist Northpoint in caring for incoming students during the summer months.

The President also meets with the Life Group Leaders at least twice throughout the school year. The Leaders assist the President in providing care and oversight of the student body. They also serve as representatives of the student body, help ensure that students' social needs are met, review school policies, and bring student concerns to the attention of the President.

Student Ministries

In addition to classroom learning, Northpoint provides students with a variety of opportunities to explore their interests and use their talents in practical ways.

Chapel

Student participation in the Chapel Services is another exciting aspect of Northpoint's program. Chapel services provide extensive opportunities for vocalists, instrumentalists, and worship leaders to serve. Students may also participate in the media team. The time invested in Chapel helps students discover and nurture their gifts and talents as they seek to edify the body of Christ.

Internship Program

In addition to the Ministry Participation Program (see below), Northpoint also requires that students complete a sophomore (two credits) and senior (three credits) internship as part of the degree program. Students may choose from a variety of options of credible ministries to gain experience in their particular field. Internships include emphases in pastoral ministry (including youth and children), missions, worship, and psychology/counseling. Students in the Psychology Minor have a junior and senior internship, and students in the Worship Minor have private music lessons and a senior internship. Students may serve in their local congregations or take advantage of the many opportunities provided by partner agencies with Northpoint.

Life Groups

Life Groups play a vital role in the holistic development of students' academic, emotional, and spiritual life. Focusing on relationships, academics, overall health, time management, spiritual development, ministry leadership, and accountability encourages our students to grow across all facets of everyday life in ministry. Life Groups meet once per month following chapel service, and students enjoy a lunch provided by Northpoint.

Ministry Participation Program

All students are required to regularly attend a church congregation and are encouraged to participate in its ministries. Sophomores, juniors, and seniors are required to participate in a ministry on a regular basis.

Music Ministry

Students who are interested in music ministry may audition in order to participate on the chapel worship team. Students have the opportunity to develop their talents in singing, playing instruments, and using technology in order to lead others in worship. There are also occasional opportunities to participate in the travelling worship team.

Short-Term Missions

Northpoint College arranges and conducts various short-term mission trips to international areas of ministry. These trips have a transformative impact on the student as he/she gains exposure to various cultures, feels the acute need of unreached people groups, and develops a heart for the lost.

ADMISSIONS

Northpoint College's mission is to equip students to participate in the continuing work of Jesus through a rigorous curriculum of academic and theological studies, applied learning, and personal spiritual transformation. The admissions process is designed to be open and inclusive of all applicants who genuinely desire an educational experience within the framework of Northpoint's stated mission.

Basis for Admissions

Northpoint College admits applicants who demonstrate a clear personal faith in the Lord Jesus Christ, a commitment to spiritual growth, and the potential for academic success. When considering applications, Northpoint reviews the applicant's complete academic record, recommendations, essays, ministry goals, and personal information.

Northpoint is committed to educating the entire person; therefore, the Office of Admissions reviews each applicant carefully to verify personal, academic, and spiritual integrity. The applicant's lifestyle and relationships should reflect a personal commitment to Christ and obedience to the Scriptures.

Northpoint College accepts students without regard to gender, age, disability, race, ethnicity, or national origin, provided all other requirements have been satisfied. Northpoint College does not offer or pay incentives to staff, students, or outside companies to recruit students.

Admissions Requirements

Pastoral Reference

Northpoint considers the applicant's attitude toward the Church and Christian ideals as they are assessed by his/her pastor. Each applicant must give evidence of a definite experience of regeneration and approved Christian character. The College expects applicants to be active in a local church in their home communities. A recommendation form from the pastor is required.

Personal References

Northpoint enrolls Christians who have experienced salvation through Jesus Christ, exemplify a desire to serve God, and live a lifestyle of obedience to Christ and the Scriptures. Personal recommendations from an educator or employer are required.

Academic Documentation

Each applicant must provide the college with scholastic documentation of his/her high school and college experiences. A transcript of the applicant's high school (whether public, private, or home school) record should be sent directly to the Office of Admissions. If an applicant has not

graduated from high school, a Graduation Equivalency Diploma (G.E.D.), along with a transcript from any high school attended, should be sent. Official transcripts from all post-secondary schools should also be submitted.

Campus Visits

Prospective students are encouraged to visit Northpoint's campus prior to enrolling. Northpoint holds a "Discover Day" during the fall semester of each year that allows a prospective student to participate in and become familiar with Northpoint College.

Candidates and their families are invited to meet Northpoint's students, attend classes, and become acquainted with the staff and faculty on designated days. Interviews with the Academic Dean or Financial Aid Director may be scheduled in advance of the visit should the prospective student or parent have additional questions. Visits are arranged through the Office of the Admissions Director.

Admissions Procedures

Northpoint College's policy of open enrollment allows prospective students to apply at any time. An application submitted too late for one semester will automatically be considered for the following semester. Prospective students who have questions may contact Kristin McElhenny at kmcelhenny@northpointcollege.edu.

To apply as a full or part-time student, click on the admissions tab on our website: www.northpointcollege.edu. An application is considered to be complete when all items listed below have been received by the Office of Admissions. There is no application fee for admission to Northpoint as long as applicants submit *all materials* on time. An application fee of \$150.00 is applied to fall semester applicants who apply after August 25, 2026 and to spring semester applicants who apply after December 21, 2026. The required application materials are as follows:

- Online Application
- Pastoral Reference
- Educator or Employer Reference
- Personal Essay (as required in application)
- Official High School Transcript
- SAT or ACT Score
- Official College Transcript (if applicable)
- Completed Health Certificate
- Proof of Insurance

After all requested application forms have been completed and received, the Admissions Director schedules a student interview with one or more members of the Admissions Committee. A virtual interview may be conducted for students who live more than fifty miles

from the Campus. Afterward, the Admissions Committee carefully reviews each application and sends notification of the Committee's decision to the applicant. When one is approved for admission, an acceptance packet will be sent to the student, informing him/her of important dates, orientation, and registration. Students who accept their admission to Northpoint College will be asked to send a reservation deposit in order to confirm their plans to enroll.

All application information received will become part of the College's records. This information, therefore, is considered to be absolutely confidential (see the section on Academic Information for a description of the Privacy Act). Upon the student's enrollment, the materials that are deemed to be essential are kept as a part of the student's permanent file in the Office of the Registrar.

Auditors

Those who desire to audit courses may apply under the admissions tab at www.northpointcollege.edu. The audit fee for the 2026-2027 school year is \$225.00 per credit hour. Auditors are subject to a technology fee. Applicants are required to complete the application and provide a pastoral reference and essay. A brief interview with a member of the Admissions Committee is also required. Transcripts are not required.

Occasionally auditors desire to obtain college credit for an audited course. To do so, the auditor must apply to Northpoint in the Office of the Registrar prior to the sixth week of a fifteen-week semester. The Registrar will inform the applicant of the requirements and will work out a payment schedule.

Re-Admission

Former students who withdrew from the College and were in good standing may return by submitting a new application, a letter of intent, and an updated pastoral recommendation. A new health certificate is required if the student has not been enrolled for one academic year or more. Any former student not enrolled for five academic years must follow the new-applicant procedure. Reapplication is not required for students in good standing who miss only one semester.

Registration and Orientation

Registration

Students register for courses on Populi, Northpoint's learning management system. Upon acceptance to Northpoint, students receive a Populi login invitation. New students select courses with the assistance of the Registrar. Returning students may select courses on Populi on their own unless they are on academic probation.

Orientation

All new students must attend Orientation. Orientation is designed to acquaint the student with the academic, spiritual, and social life of the campus. Students have an ID picture taken at this time and also take an Entrance Examination in order to assess biblical and ministry knowledge.

Veteran's Administration

Northpoint is approved by the Department of Veteran Affairs for the training of veterans who are entitled to educational benefits under existing laws. Students eligible for VA benefits should contact the Office of the Registrar.

If an active-duty service member or reservist enrolled in the College is required to leave due to service requirements, the College will work with the instructor and the student to satisfy the academic requirements through the modality that best suits the student and the College. This could be a directed study or the assignment of an incomplete for the course until the student is able to complete the work.

FINANCIAL INFORMATION

Tuition

Because Northpoint exists to create a cost-efficient, educationally and spiritually dynamic community where students are equipped to participate in the continuing work of Jesus, Northpoint maintains an affordable tuition price. The tuition at Northpoint is \$450.00 per credit hour.

Semester	Tuition	Books	Technology Fee	Student Assessment	Total
<i>Fall</i>	\$7200.00 (based on 16 credits)	\$250.00 (estim.)	\$145.00	\$100.00 (annually)	\$7695.00
<i>Spring</i>	\$6750.00 (based on 15 credits)	\$250.00 (estim.)	\$145.00		\$7145.00
<i>Total Average Annual Cost</i>	\$13,950.00	\$500.00	\$290.00	\$100.00	\$14,840.00

The above figures represent a typical school year for a full-time student. There is an additional \$150.00 application fee for students who apply after August 25 for the fall semester or after December 21 for the spring. Students in the Music Minor have a lab fee of \$100.00 per music course and may also incur expenses for private lessons.

Student Accounts

All Northpoint students are required to follow the payment policies outlined below.

Enrollment Agreement

Students must sign an Enrollment Agreement (populated by Populi) before they may attend classes. This signed Enrollment Agreement represents the student's agreement to pay the tuition and fees invoiced and agreement to Northpoint's payment policy.

Deferment Plan

Student balances are due in full for the current semester by the first day of classes. These balances will reflect the amount owed after financial aid has been applied to the student account.

Northpoint offers a deferment plan that covers all current semester charges on the student account after financial aid has been applied. Past due balances cannot be included in the deferment plan and must be paid on or before the payment due date. There is a \$50.00 non-refundable fee to utilize the deferment plan. The account balance will be divided into four monthly installments each semester (September–December in the fall and January–April in the spring). Bills are issued on the 1st of each month (with the exception of September, which will be billed the first week of classes). Payments are due on or before the 15th of each month. A \$25 late fee will be assessed for each late payment. Payments will not automatically come out of the student account, as Northpoint does not save financial information for security reasons.

Students must set up a deferment plan using the Deferment Form found on the Populi Dashboard. All deferment plans must be made before the beginning of the current semester. If no deferment plan is set up by the payment due date, each student with an outstanding balance will be assessed the normal \$25 late fee and contacted by Northpoint staff to set up a deferment plan. The \$50 non-refundable deferment plan fee will still apply.

Terms and Conditions

1. A \$50 service fee will be assessed for each semester a student is placed on a deferment plan. This fee is non-refundable.
2. Students on academic probation or in jeopardy of suspension are not eligible to participate in the deferment plan.
3. Rights to participate in future Northpoint deferment plans will be lost if an installment is not paid when due.
4. Students will not be allowed to register for future semesters if the student account is not paid in full or a deferment plan is not made.
5. If the student account is not paid when due, students will be responsible to pay all late fees, collection costs, and attorney fees. Delinquent accounts will be sent to a collection agency and placed on the student's credit report.
6. All deferment requests are subject to approval by Northpoint.
7. If a student defaults on payments, Northpoint may disclose that they have defaulted, along with other relevant information, to credit reporting agencies.

Any charges unpaid by the statement due date will result in a hold on the student account and prevent registration activity. Late fees in the amount of \$25 will be assessed each month on the past due balance. Delinquent accounts will be sent to a collection agency and will be placed on the student's credit report. Students will be responsible to pay all late fees, cost of any collection agency (which may be based on a percentage at a maximum of 35% of the debt), and all costs and expenses, including reasonable attorney's fees we incur in such collection efforts. All payments that are returned by the bank are subject to a \$20 returned check fee. Returned payments made towards tuition or a past semester charge could result in class cancellation if not paid in a timely manner.

Forms of Payment

Electronic

Students may pay using a credit/debit card via Populi Financial Dashboard with a 3% Convenience Fee.

Check or Money Order

Students may pay by check or money order made payable to Northpoint College at the Offices or by mail to:

Northpoint College
2100 44th St. SW
Wyoming, MI 49519

Please note your name or student ID on the memo line. All payments that are returned by the bank are subject to a \$20 returned check fee.

MESP/529 Plan

Northpoint accepts checks from MESP/529 plans. The parent/guardian who owns the fund would contact the institution that handles their plan and give them this information:

- The student's first and last name
- The dollar amount of the request
- The mailing address for Northpoint (listed above)

Please allow enough time between requesting the check from the MESP/529 plan and the payment due date to ensure payment is made on time.

Re-Enrollment

All previous account balances must be paid in full before a student may re-enroll for the following semester. Please refer all questions to the Student Billing Office.

Refund Policies

Students may add or drop a course before the fourth week of the semester without incurring a tuition fee for the course (See the specific Add/Drop dates on the Academic Calendar above). There is a \$20 administration fee for every drop form completed.

A student who withdraws from Northpoint prior to the fourth week of the semester will receive a partial refund of tuition (there is no refund of required fees, miscellaneous fees, etc.), provided the student completes the withdrawal process. The refund schedule applies to all students at Northpoint, whether receiving federal student aid or not.

Time of the Withdrawal	Refund Amount
Before classes start	100%
During the first week	90%
During the second week	50%
During the third week	25%
During the fourth week and beyond	None

Refunds for students who are first-time, first-semester students will be calculated on a pro rata basis—based upon the actual number of weeks attended up to four weeks.

In the event a student is dismissed, a refund of tuition will follow standard refund policies applicable to any student withdrawal.

Federal Financial Aid

Applying for Federal Financial Aid

Northpoint students may apply for federal financial aid by completing the Free Application for Federal Student Aid (FAFSA). When completing the FAFSA, students must include Northpoint College's federal school code: **043139**.

The **priority deadlines** for submitting the FAFSA are:

- **March 30** for students beginning in the fall semester
- **December 1** for students beginning in the spring semester

FAFSAs will still be accepted after these dates; however, the availability of some aid types may be limited. To complete the FAFSA or for more information, visit www.studentaid.gov.

Return of Title IV (R2T4) Funds

Students who receive federal financial aid and completely withdraw from the College before completing more than 60% of the semester may be required to return a portion of the aid received. Federal regulations state that students "earn" Title IV financial aid based on the percentage of the semester they attend. This percentage is calculated by dividing the number of days the student attended by the total number of days in the semester, excluding scheduled breaks of five consecutive days or more.

- If a student withdraws before the 60% point, a Return to Title IV (R2T4) calculation is required, and any unearned aid must be returned.
- If the student earned more aid than was disbursed at the time of withdrawal, the student may be eligible for a post-withdrawal disbursement.

The Financial Aid Office will perform this calculation and notify the student of any amounts owed or additional eligibility.

Financial Assistance

Federal Assistance Programs

Pell Grant: This is a federally funded grant based on financial need. A Free Application for Federal Student Aid (FAFSA) must be filed annually to determine eligibility. The FAFSA may be completed online at www.fafsa.gov. The amount of the grant depends on the student's (a) family contribution, (b) enrollment status, and (c) length of time enrolled during the academic year.

Supplemental Educational Opportunity Grant (SEOG): This is a federally funded grant program in which priority is given to exceptionally needy students. It does not have to be repaid. Funds are limited, so early FAFSA filing is necessary.

Federal Direct Loans: This program allows students to borrow funds at low interest rates. The funds are provided by the federal government and consist of two types: subsidized (the government pays the interest for the student while the student is in school) and unsubsidized* (the student pays interest while in school or allows it to accrue; that is, interest will be added to the principal amount and the student will ultimately pay interest on interest). All loans must be repaid. Loan amounts are determined by grade level. A Master Promissory Note (MPN) and Entrance Counseling are required before the loan(s) can be disbursed. Access <https://studentloans.gov> to complete.

Federal Parent Loan for Undergraduate Student (PLUS): This loan is issued by the U.S. government's Direct Loan Program to the parents of dependent undergraduate students who qualify. Repayment of principal and interest begins 60 days after the final disbursement. Parents can apply at <https://studentloans.gov>.

Donor Scholarships

NxtGenNow Scholarship

The NxtGenNow Scholarship is offered for Northpoint students by Grand Rapids First church. This scholarship exists to financially empower eligible Northpoint College students to participate in a world-class ministry preparation experience that is both academic and practical. Eligible applicants will demonstrate financial need as well as academic and ministry promise. They will also express a desire to participate in a ministry internship through Grand Rapids First.

Each scholarship awarded is for a duration of one school year and can cover a significant amount of a student's tuition. Please visit the Northpoint website for details about the NxtGenNow Scholarship.

Victor Plymyer Scholarship

Northpoint College is committed to supporting and promoting Christian missions by providing scholarships to qualified individuals pursuing higher education in fields related to cross-cultural

missionary work. This scholarship aims to equip students for effective Christian missionary work by reducing the financial burden of their education. To be eligible, students must have earned 60 credits or more, recognize a call toward missions, and be actively supporting a missionary on a monthly basis. The scholarship award amount varies depending on the availability of funds. Details and the application form are available on the Northpoint College website.

General Council Scholarships

The General Council of the Assemblies of God offers various scholarships from time to time. Go to <https://colleges.ag.org/Scholarships> for more information.

ACADEMIC POLICIES

Academic Programs Offered

Associate of Arts (AA)

Northpoint offers an AA degree in Ministry Leadership.

Bachelor of Arts (BA)

Northpoint offers a BA degree in Ministry Leadership. All students in the BA program are required to choose a minor in Biblical Languages, Missions, Pastoral Ministry, Psychology, or Worship.

Northpoint also offers a dual enrollment program with Kuyper College in which approved students may pursue a Bachelor of Arts in Ministry Leadership at Northpoint and a Business Leadership degree at Kuyper. Students in the dual enrollment program will take the Pastoral Ministry track at Northpoint. Contact Heather Klein-Wassink for details:

hkleinwassink@northpointcollege.edu.

Graduation Requirements

The eligibility of students for graduation is determined based on the following academic qualifications and completion of the required steps in the graduation process.

The Baccalaureate Degree

Students must complete at least 124 prescribed semester hours of academic credit in the student's course of study. A cumulative grade point average of 2.0 or higher is required to graduate from the Bachelor of Arts degree program.

The Associate of Arts Degree

Completion of the 64 prescribed semester hours of academic credit with a cumulative grade point average of 2.0 or higher is required. Students matriculating into this program will graduate with the AA degree at the completion of the program regardless of whether the student transfers into the Baccalaureate program at a later time.

Transfer Credits

To graduate from Northpoint College with any of the above programs the student must complete the last 30 hours of study in residence at Northpoint College. Exceptions may apply for students who earned credits at Northpoint Bible College GR.

Graduation Ceremony Participation

Commencement and baccalaureate services are held during the month of May. Graduating seniors may walk in the processional line at Commencement provided they have completed 118 credits toward their bachelor's degree (119 for those in the Biblical Languages Minor, 121 for those in the Psychology Minor, 120 for those in the Worship Minor) with no more than six credits outstanding and have received permission from the Academic Dean. The one to six outstanding credits must be completed within one year of the graduation date. The completion date must not exceed six years of total schooling for full-time students. Those who exceed the one-year limit will be subject to a degree review and may need to take additional courses. Seniors who have over six credits owing at the end of the spring semester will need to re-enroll for the next school year and will participate in the Commencement exercises in the spring of that year.

Students in the Associate of Arts program must complete all required credits prior to graduation.

The student must demonstrate doctrinal understanding of the beliefs held and taught by Northpoint College and the General Council of the Assemblies of God.

The student must complete the senior assessment examinations prior to the end of the spring semester and complete an application for graduation.

The student must demonstrate Christ-like character and should consistently exemplify integrity, honesty, and morality above reproach.

The Academic Excellence Committee and the Board of Trustees must approve the student as a candidate for a degree.

All financial and academic obligations must be met before any degree, certificate, or reference letter will be released by Northpoint College.

Academic Advisors

Students are assigned an Academic Advisor upon acceptance into Northpoint. The Academic Dean, the Registrar, and members of the Academic Excellence Committee serve as Advisors. It is recommended that students meet with one of these Advisors at the beginning of each semester to plan and confirm their schedules and courses of study.

Academic Load

Fifteen to sixteen credit hours per semester is the typical academic load required for a full-time student to complete his/her degree on time. Any request to take more than eighteen credits must have special permission in writing from the Academic Dean.

Credit Hours

Academic work is measured according to the semester credit hour. A semester credit hour represents 37.5 hours or more of academic engagement in instructor-designated learning activities for the average student. One credit hour is equivalent to one fifty-minute class session per week for the length of the semester (fifteen weeks) supplemented by two hours of preparation for each hour of instruction. A class may be worth one to four credit hours and will accordingly meet for that number of hours per week for the length of the semester.

Transferring Credits into Northpoint

The student should request an official transcript from all colleges he/she attended. The official transcript from a CHEA accredited college or university should be submitted to the Office of the Registrar at the time of application. Only courses in which a grade of C or better was earned will be considered. Once the transcript is evaluated the student and the Financial Aid office will be notified as to the number of credits being transferred into Northpoint. Only credits that go toward a student's program will be transferred. Students must complete their last thirty (30) hours of credits through Northpoint in order to graduate with a degree. No transfer credits will be considered for courses taken at another institution once the student has matriculated into Northpoint.

Life Experience

Credit for life experience is evaluated on an individual basis. Students must demonstrate through substantial documentation that they have fulfilled the objectives and course description included in the course syllabus. A minimum of ten years of experience is required to be considered for life experience credit.

Military Education

Credits earned by military personnel will be examined on an individual basis. The content of prior educational experience will be evaluated to determine how it correlates with the College's academic program and objectives and whether the training is equivalent to the course descriptions in the student's program.

Michigan School of Ministry (MISOM)

Northpoint grants up to 22 transfer credits from MISOM. Only courses that have been completed prior to acceptance at Northpoint are considered. Credits are only granted for completed levels of MISOM. Up to six credits may be transferred for completion of the Certification level. Up to eight additional credits may be transferred for completion of the License level. Up to eight more credits may be transferred for completion of the Ordination level.

Populi

Upon completion of the admissions process, the student will receive login information for Populi, the learning management system used by Northpoint College. This site is available under the Student Life tab on the College's website. Students will use Populi for academic activities including communications with professors, accessing grades and attendance, taking exams, consulting syllabi, etc.

Grading

All written and oral class work is evaluated according to the grading system described below. A passing grade in each subject is 60 percent.

Grade Points

In order to graduate, a student must earn a sufficient number of grade points to equal twice the number of semester credit hours attempted. A student's grade point average (GPA) is computed by dividing the number of grade points earned by the number of semester hours attempted. A cumulative average of two grade points (2.0) per semester hour is necessary for graduation.

Change of Grade

It is the student's responsibility to monitor all grades recorded on Populi in the event an error in calculating or reporting a grade has been made. Students should notify the professor of any errors. In the case of such an error in the final grade, the student should immediately present his/her case to the professor. If warranted, the professor will then initiate a change of grade in the Office of the Registrar. The deadline for a grade change request is four weeks after the close of a semester. The Academic Dean must approve all change of grades. Official final grades and attendance can be found on Populi.

Grading Scale

Grade points are granted on the following basis:

A		93–100	4.0 Grade points per semester hour
A-	EXCELLENT	90–92	3.7 Grade points per semester hour
B+		87–89	3.3 Grade points per semester hour
B	GOOD	83–86	3.0 Grade points per semester hour
B-		80–82	2.7 Grade points per semester hour
C+		77–79	2.3 Grade points per semester hour
C	AVERAGE	73–76	2.0 Grade points per semester hour
C-		70–72	1.7 Grade points per semester hour
D+	POOR	67–69	1.3 Grade points per semester hour
D		63–66	1.0 Grade points per semester hour

D-		60–62	0.7 Grade points per semester hour
F	FAILURE	59 & Below	0.0 Grade points per semester hour
F*	REPEATED FAILED CLASS		Not computed into G.P.A.
P	PASS		Not computed into G.P.A.
W	WITHDRAW		Not computed into G.P.A.
WP	WITHDRAW PASS		Not computed into G.P.A.
WF	WITHDRAW FAIL		Not computed into G.P.A.
INC	INCOMPLETE**		Not computed into G.P.A.
AUD	AUDIT***		No Credit

* All failed Core courses must be retaken and the student must receive a passing grade before he/she can graduate. Once the course has been retaken the original Failure will be marked as “F*” and will remain on the transcript but will NOT affect the student’s G.P.A. It will, however, be used in calculating Satisfactory Academic Progress.

** An INCOMPLETE grade is given when a student, due to illness or an emergency situation beyond his/her control, is unable to complete his/her final project or final exam before the end of the semester. Work must be turned in within two weeks from the close of the semester; otherwise, the student will receive a failure “F” for the incomplete work. The final grade will be adjusted according to the average of the course work and the final “0” grade. Please see the section “LATE WORK” for policy and procedure.

*** Permission for current students to AUDIT a course must be submitted in writing to the Academic Dean (an email is sufficient). New students should see the admissions requirements above.

Student Classification

The following indicates the student classification for financial aid.

YEAR	CREDIT HOURS
First	0-29 credit hours
Second	30-59 credit hours
Third	60-89 credit hours
Fourth	90-128 credit hours

Transfer Students

Transfer students are classified according to the number of credit hours transferred and applied to the chosen program at Northpoint. In order to receive a degree from Northpoint, students must have the prescribed credit hours for each program that corresponds to Northpoint’s curriculum. All transfer credits are calculated in determining a student’s Satisfactory Academic Progress (SAP), which determines financial aid eligibility.

Academic Probation

Students must maintain a minimum cumulative grade point average of “C” or 2.0. When a student’s cumulative grade point average falls below a 2.0, the student is placed on academic probation for the semester following the failure to meet the academic standard. The Office of the Academic Dean will notify the student of his or her academic status. It is the College’s desire that the student endeavor to raise his or her grades to a satisfactory level. For this purpose, a graduated two-semester plan has been instituted.

In the first semester of academic probation status, the student will take on these parameters:

- Student will have at least one meeting with an academic advisor for assistance.
- Student will not be permitted to participate in travelling ministries such as the travelling worship team and Northpoint promotional teams.
- Student will be encouraged to consider reducing the course load.

In the second semester of academic probation status, the student will take on these parameters:

- Student will have at least one meeting with an academic advisor for assistance.
- Credits will be reduced to a maximum of 12 hours.
- Ministry team participation is prohibited (including Life Group Leadership, Chapel Ministry Teams, etc.).
- No class absences are allowed (absences will only be allowed for sickness, for which a sick note from a physician must be submitted to the Academic Dean’s office).
- Counseling may be required.
- Additional recommendations and/or requirements may be approved by the Academic Dean.

Each student’s progress will be assessed at the end of each semester the student is on probation.

If a student is on academic probation for three consecutive semesters, the student will automatically be required to take a one-semester suspension from school.

Academic Policies and Procedures

Add/Drop Courses

Students should seek the advice of their Academic Advisor before requesting to drop or add courses. The College has designed each class schedule to allow students to graduate with a Baccalaureate degree in a four-year period and an Associate’s degree in a two-year period. Deviating from the class schedule could add additional semesters to one’s course of study. During the first three weeks of the semester, the student, with the advice of his/her Academic Advisor and the approval of the Academic Dean, may adjust his/her schedule by adding or dropping courses. Students may add or drop a class through Populi until the add/drop period ends. A \$20.00 fee will be charged to the student’s account for every course dropped from

his/her schedule. After the add/drop period ends, students should see the Registrar for assistance.

Students can check the status of their request on Populi – if a class has been dropped it will no longer appear on the schedule, if added it will appear on the schedule. A course dropped within the first three weeks of a semester will result in that course being permanently deleted from the student’s schedule and transcript.

After the add/drop period the student must fill out a “Withdrawal from Class” form in order to withdraw from a class. The form is available in the “Forms” section on Populi. The student is to attend the class until the withdrawal is officially approved by the Office of the Academic Dean.

Approved withdrawal from a course after the three-week period will have a grade of either WP (withdraw passing) or a WF (withdraw failing), dependent upon the student’s overall grade at the time of withdrawal. Should no grades be recorded at the time of withdrawal, then a grade of W will be reflected. A withdrawal grade appears on the student’s transcript; it does not affect the student’s GPA; however, it does affect the completion rate for Satisfactory Academic Progress in determining financial aid.

Classes missed due to late registration in a course or adding a course will be counted as absences.

Attendance Policy

Class Attendance

Faithful class attendance is an important key to a student’s performance and success in the classroom. Consequently, students are expected to attend all classes. Any student who is absent for more than 27% of a course will automatically receive a failing grade. Northpoint classes typically meet for two to four hours. Attendance is taken for each hour, and each hour of absence is counted in the percentage of total absences. For example, a student in a three-credit course who misses five full classes will have missed 15/45 hours (33%) and would automatically fail the course. Students should consult course syllabi for grade reductions resulting from excessive absences that total 27% or less. See the *Student Handbook* for additional details on attendance.

Chapel Attendance

Northpoint College is more than an academic institution; it is a community of believers who are experiencing God together. Thus, we view the weekly chapel service as integral to the student’s spiritual development and personal growth. Students benefit from corporate worship; the ministry of chapel speakers who are seasoned leaders; and the opportunity to serve in music ministry, prayer, preaching, and other capacities.

Full-time students are required to attend chapel, and part-time students are strongly urged to attend when possible. Students should arrive on time and report their attendance. Two absences are allowed per semester without penalization; after that a \$50.00 chapel fine will ensue per excessive absence. Any fines must be paid by or at the time of registration for the following semester or prior to graduation for seniors. In addition, excessive chapel absences will potentially disqualify students for ministry opportunities such as serving on the worship team, participating on the travelling ministry team, and leading small groups.

Recording Lectures

In order to protect the privacy of other students, and because not all material presented in the classroom is intended for general distribution, recording classes is prohibited without express permission from the instructor and the Academic Dean.

Classroom Attire

Students are to dress appropriately for the classroom and chapel. (See Dress Code in the *Student Handbook*). Students arriving to class improperly attired will be asked to leave the classroom to change. They will incur an absence for each hour missed.

Written Work

All research papers are to use the Turabian 9th Edition formatting style (except for papers written for courses in the Psychology Minor). Copies are available in the Northpoint library or may be purchased online. Assignments turned in late will be subject to the Late Paper Policy (see “Late Paper Policy” below). For an extension on special projects and major papers, please see “Extension Policy” below.

Examinations

Electronic exams given in class require the use of Populi. The student is required to bring a laptop or other electronic device to the exam in order to take the exam or quiz. Should a student be sick on the day of an examination, he/she can make up the exam provided he/she follows the procedure noted below.

Make-up Exam Policy

Permission to make up a missed quiz or examination is at the discretion of the course instructor and office of the Academic Dean. Absences due to a school activity must be cleared with the professor in advance, and arrangements for making up assessments for the same reason must be made in advance. No missed assessments may be made up for absences resulting from oversleeping, lack of discipline, or similar items. Professors have the option of allowing make-up

assessments for reasons such as illness, a funeral, a wedding, or a family emergency; however, instructors are under no obligation to grant permission to make up any exam.

All make-up exams must be made up within seven days of the date of the original exam (excluding weekends). For example, if the exam is given at the 8:00 a.m. class on Monday, it must be made up before 8:00 a.m. on Wednesday of the following week.

Students may make an appeal to a professor to take an exam outside of the scheduled time in the case of other extenuating circumstances.

Exams Taken by Students with Disabilities

Students approved to take their exams outside of the classroom are to do so on the day the exam is scheduled in class. If this is not possible, at the professor's discretion, an extension of two days may be granted. It is the student's responsibility to schedule all exams with the instructor.

Phone Usage

Phones are to be kept on "vibrate" mode per CLERY Act – "Send Now" emergency notification. In the classroom, phones are to be stored away. Students may use the Bible application on their phone as necessary.

Students may not use their phone, computer, or other electronic device during class time for any purpose other than taking lecture notes and performing required activities for that class.

Students found using their phone, computer, or other electronic device for non-class related activities may, at the professor's discretion, either be given one warning and then dismissed from class upon a second infraction or be immediately dismissed from class for the day and marked absent.

Plagiarism

Copying or paraphrasing a source without citation is considered plagiarism. Any material, whether published or unpublished, quoted from another author, must be identified by use of quotation marks or block quotations. Documentation with specific citation of the source and paraphrased material must likewise be attributed to the original author, for both formal papers as well as other assignments. See also the 9th Edition of Turabian for a full explanation of plagiarism: 4.2.2–4; 7.9; 7.9.1–4; 7.10; 15.1; 15.2; and 15.2.1.

Any Student found guilty of plagiarism will receive a letter of reprimand (to be placed on the student's permanent record) and may be subject to, but not necessarily limited to, the following discipline:

- A. First offense (faculty discipline):

- Reduction of grade
 - Failure of assignment
- B. Second offense (academic staff discipline):
- Receiving an “F” for the course
 - Removal from any extracurricular activities
 - Dismissal for one semester or more

Cheating

The student is expected to avoid the use of any electronic device other than the one used to take an assessment. The use of paper notes and texts is also prohibited. Failure to adhere to these guidelines will result in a zero on the assessment, without the option to retake.

The use of automatic intelligence (AI) in writing papers, composing speeches, taking assessments, or similar is strictly forbidden. The conventional use of electronic grammar and spell checks is permitted. Northpoint has technology systems for detecting the implementation of automatic intelligence.

Cheating is a breach of integrity and will be dealt with in the same manner as plagiarism (see above). Cheating consists of gaining or helping another person gain an unfair advantage on an assignment or an assessment.

Sharing of information with students from other sections prior to their taking an assessment is cheating. Inaccurately reporting reading and homework assignments is also cheating.

Procedure for Withdrawing from College

An official “Withdrawal Form” is available on Populi. The form must be completed and submitted to the Office of the Academic Dean. The student is required to meet with the Academic Dean prior to withdrawal for an exit interview; this will usually occur within a day or two of the date the form was submitted. However, the date the student reports as the withdrawal date on the official withdrawal form will be the date used for tuition refund purposes (see Refund Policy below). Failure to officially withdraw from school will result in an “F” for the term. A student is not to assume that by not attending classes that he/she has withdrawn. Unless an official withdrawal form is completed, the student will continue to be enrolled in the class and will receive an “F” for the course.

A student who must withdraw from school after the fourth week of the semester will receive a grade of “WF” (Withdrawn Failing) or “WP” (Withdrawn Passing) on his/her official record (dependent on the student’s grades up to that point).

Refund Policy

For information on refunds, see under Student Accounts in the Financial Information section above.

Satisfactory Academic Progress Policy (SAP)

The Higher Education Amendment of 1976 mandates institutions of higher education to establish standards of “satisfactory academic progress” for all students receiving financial aid. Northpoint College will make the following standards applicable to all federal funds awarded to students.

Student Federal Aid Affected

Federal Pell Grant

Federal Supplemental Educational Opportunity Grant (SEOG)

Federal Work-Study (FWS)

Federal Direct Subsidized and Unsubsidized Loans

Federal Direct Parent Loan for Undergraduate Student (PLUS)

Note: The Satisfactory Academic Progress (SAP) standard affects state grant programs.

Requirements for Satisfactory Academic Progress (SAP)

Northpoint College’s SAP policy, according to 34 CFR 668.34, includes both a *qualitative* measure (such as the use of a cumulative grade point average) and *quantitative* measure (such as a maximum time frame for completion which cannot exceed 150% of the published length of the program). Therefore, for a student to be maintaining satisfactory academic progress, he/she must, in general, have a C average or its equivalent 2.0 upon completion of 60 or more credits in the Bachelor of Arts program or upon completion of 30 or more credits in the Associate in Arts program.

The student must complete 67% of cumulative credits attempted (including repeated and transfer credits). For example, a student who attempts 30 credits but actually completes 19 would only have completed 63% of all credits attempted. This is not satisfactory academic progress.

The student may attempt, including transfer credits, a maximum of 192 credits before financial aid eligibility will be terminated.

The following *qualitative* chart applies to all full and part-time students in the Bachelor of Arts program:

Credits Completed	Cumulative GPA
1-29.5	1.60
30-59.5	1.80

60 and thereafter	2.00
-------------------	------

The following *qualitative* chart applies to all full and part-time students in the Associate of Arts program:

Credits Completed	Cumulative GPA
1-15.5	1.60
16-29.5	1.80
30 and thereafter	2.00

The following *quantitative* chart shows the minimum completed credit hours to maintain 67% satisfactory academic progress:

Full Time Bachelor of Arts Students, 6 Years = 150%

Years Completed	1	2	3	4	5	6
Credits Accrued	20	40	64	86	108	128

If attending on a $\frac{3}{4}$ time, $\frac{1}{2}$ time or less than $\frac{1}{2}$ time basis, hours and semesters will be prorated accordingly. For $\frac{3}{4}$ time, a student must complete his/her program in 9 years; for $\frac{1}{2}$ time, in 12 years and less than $\frac{1}{2}$ time in 18 years to meet the 150% completion period.

Full Time Associate of Arts Students, 3 Years = 150%

Years Completed	1	2	3
Credits Accrued	20	40	60

If attending on a $\frac{3}{4}$ time, $\frac{1}{2}$ time or less than $\frac{1}{2}$ time basis, hours and semesters will be prorated accordingly. For $\frac{3}{4}$ time, a student must complete his/her program in 5 years; for $\frac{1}{2}$ time, in 8 years and less than $\frac{1}{2}$ time in 15 years to meet the 150% completion period.

Note: While the above requirements are minimums, it should be clearly understood that after a student's first semester, fifteen credit hours is a normal academic load for a full-time student recommended for a student to complete his/her degree on time.

The satisfactory academic progress of freshmen and/or transfer students enrolled in the Bachelor of Arts or Associate of Arts program will be reviewed by the Registrar at the end of the student's first year.

Students who are not making SAP will receive a warning letter from the Registrar. The following semester, though on warning, the student will retain his/her federal aid.

If a student fails to achieve SAP at the conclusion of the warning period, he/she will be issued a notification letter from the Financial Aid Director placing him/her on financial aid suspension. The student has the opportunity to appeal for reinstatement of aid if there were mitigating circumstances.

Mitigating circumstances are:

- Family emergency (death or other extenuating circumstances)
- Extended illness (physical or mental), injury or hospitalization
- Documented learning disability

Appeal Process

If extenuating circumstances have affected the student's progress, an appeal may be submitted. To file an appeal, the student must contact the Financial Aid Office to obtain the "Appeal for Reinstatement of Financial Aid Eligibility" form. The student must submit, along with this form, any requested documentation necessary to support his/her claim of mitigating circumstances. Additionally, the student must explain why he/she failed to make SAP and what has changed that will allow him/her to make SAP at the next evaluation.

Note: The deadline to file an appeal is no later than 30 days before the start of the semester, although the College reserves the right to review and consider appeals submitted after the deadline when extenuating circumstances prevent timely submission.

Probation Status

If a student's appeal is approved, the student will receive a letter from the Financial Aid Director notifying him/her of the SAP Committee's decision. The student will be placed on "probation" and will retain federal aid eligibility. If, following the semester of "probation," the student fails to make SAP, as outlined in the charts; he/she will lose federal aid eligibility.

Factors Affecting Financial Aid Status

Academic Amnesty: Northpoint College does not practice academic amnesty. A student may not regain eligibility by withdrawing for a semester or more.

Audited Courses: Audited courses are ineligible for federal aid since they do not earn credits.

Incomplete Courses: Incomplete courses will not count toward satisfactory academic progress until a grade is submitted to the Registrar. Incomplete courses will receive a grade of "F" if the course is not completed by the institution's deadline.

Remedial Courses: Six hours of remedial courses are allowed for determining full-time status and hours completed and will be eligible for federal aid. These hours will not be included in the quantitative assessment.

Repeated Courses: Students who repeat previously *failed* courses to earn a passing grade may receive aid for repeating a failed course until it is passed. Students who repeat a previously *passed* course can do so only *once* and receive financial aid. Repeated coursework will count toward the enrollment status (full or part-time). For a four-year degree program, a maximum of 25 credits or 10 repeated courses will be allowed in determining the number of credits completed in the overall program.

Returning Students: Students who were on warning or probation prior to withdrawal during a semester will return at the same status. Students who withdrew at the end of a semester will have their status recalculated based on credits earned in the last semester of attendance.

Summer Courses: In determining SAP, credits earned during the summer will be evaluated with the previous semester's progress report.

Transfer Courses: Credits transferred in are counted as credits earned in the quantitative measurement. Credits earned are not factored into the grade point average (GPA). Only credits that apply to the student's program are transferred. Transfer students enter at a satisfactory academic progress level.

Withdrawals/Dismissals: Whenever a student withdraws (officially or unofficially) or is dismissed, the courses neither earn credit nor affect the grade point average; however, they will affect the quantitative completion rate (credits attempted but not earned). Students may retake any courses from which they have withdrawn; the credits will count in the enrollment status (full or part-time) determination and will be eligible for federal aid.

Student Educational Rights and Privacy of Records

The Family Educational Rights and Privacy Act of 1974¹ deals with the protection of the right of privacy of students and governs access to and release of student records. In brief, the statute provides that educational institutions must provide students access to official records directly related to the student requesting access, and an opportunity to challenge such records on the grounds that they are inaccurate, misleading, or otherwise inappropriate. Educational institutions must obtain written consent of students before releasing personally identifiable data about students from records to other than a specified list of exceptions (see "Access to Records" noted below). Students must be notified of their rights as enumerated by this document, and that the Department of Health, Education, and Welfare will investigate complaints of alleged violations of this act.

Access to Records

Section 433 (d) states: ". . . whenever a student has attained eighteen years of age, or is attending an institution of post-secondary education, the permission or consent required of

¹ This Act is Section 438 of the General Education Provisions Act of 1974 (Title IV, Public Law 90-247; added by Section 513, Public Law 93-380) See Also Part 99, Title 45 C.F.R.

and the rights accorded to the parents of the student shall thereafter only be required of and accorded to the student.”

“An institution is permitted by section 438 of the Act and this part to disclose information pertaining to an eligible student to the parents of the eligible student with the prior written consent of the eligible student or with the prior written consent of the eligible student if that student is a dependent as defined under section 152 on the Internal Revenue Code of 1954.”

In the absence of an official request, information contained in a student’s records remains confidential between the student and Northpoint College and will not be released to third parties without the consent of the student, with the following exceptions: information for school directory (this includes name, address, telephone number, major fields of study, participation in officially recognized activities and sports, weight and height of athletic team members, dates of attendance and degrees and awards received), information needed by school officials within the College, information requested by officials of other schools to which the student is seeking admission, information requested by Federal or State educational authorities, information needed in connection with the receipt of financial aid, information released pursuant to state law or subpoena, information requested by accrediting organizations, and information requested by parents of dependent students.

Any information released to a third party shall contain a statement informing the party of the requirement that the information provided may not be released without the written consent of the student.

Maintenance of Records

Northpoint maintains digital records of grades and transcripts perpetually. Students may obtain official transcripts from the institution upon request.

Challenge Hearings

To ensure that records are not inaccurate, misleading, or otherwise in violation of a student’s rights of privacy, the student may challenge the alleged inappropriate data at a hearing requested through the Office of the Academic Dean. An impartial hearing officer will be appointed thus affording the student full opportunity to present evidence in support of the challenge.

The hearing officer shall render a decision within a reasonable time after the hearing.

Records Inspection

Requests for record inspection should be directed to the Academic Dean. The student has the right to a copy of the record so inspected, with the cost of the reproduction assessed to the student. The student may challenge an inaccurate record and request a hearing concerning any alleged inaccuracy contained therein. Any challenge must be established by a preponderance of evidence that the record is inaccurate. If desired, the student may submit a written explanation of a record’s content, which then becomes part of the record. The College will comply with a

request to inspect and review educational records within a reasonable period of time; not exceeding forty-five days after the request has been made.

ACADEMIC PROGRAMS

Curriculum Philosophy

Northpoint College offers the Bachelor of Arts Degree in Ministry Leadership. This degree has been designed to train effective leaders for today's complex world. The ability to engage Scripture meaningfully lies at the core of ministry training. Other skills help students apply and communicate Scripture in a manner that addresses contemporary needs. Students will also choose a Minor in Biblical Languages, Missions, Pastoral Ministry, Psychology, or Worship.

The curriculum design of Northpoint College contains four major components: Bible and Theology, Ministry Leadership, a Minor course of study, and General Education.

The purpose of the Bible and Theology division is to challenge the student to approach life and learning from a biblical perspective and to stimulate a love for God and obedience to his will. The focus of this integral division provides the essential data to enable each student to form a Christian worldview, develop an effective Christian life, acquire a sound philosophy, and interpret and skillfully utilize the Scriptures. Emphasis is placed on understanding the broad themes and structure of complex truths.

The purpose of the Ministry Leadership focus is to enable the student to formulate a biblical and practical philosophy of ministry that will be implemented in various areas of Christian service. The program fosters both spiritual formation and the development of the practical skills necessary for the student to fulfill his or her call with integrity and excellence.

The Minor programs are an extension of the Ministry Leadership focus. Each minor provides a more in-depth study of a specific discipline, sharpens ministry skills in that field, and prepares students for the pursuit of a master's degree related to the minor.

The purpose of the General Education segment is to provide an introduction to a broad range of disciplines, aid the student in developing critical thinking skills, and develop communication skills that will better enable the student to share the gospel of Christ. The General Education curriculum examines various subjects of study in light of biblical truth in order to prepare the student to effectively and intelligently participate in the Mission of God. The curriculum is designed to help each student gain an understanding of selected knowledge in the areas of science and the humanities, and to relate this understanding to a Christian worldview.

Curriculum Changes

The curriculum at Northpoint College is continually studied and revised in order to meet current needs and to make improvements to its programs. This Catalog reflects the most current features of every program, but changes in requirements, course offerings, and class schedules

may occur subsequent to the printing of this Catalog. All offerings will then be subject to these changes. Therefore, this Academic Catalog is not to be considered a contract between Northpoint College and its students, and Northpoint retains the right to alter programs and course offerings for the sake of improvement. In such cases, the faculty offers students reasonable substitutions or other accommodations if courses required under a given degree program are significantly altered or removed from the curriculum. Candidates enrolling in a degree program enter under the catalog requirements in effect at the time they enter the program. The College permits students to complete their degrees under the original catalog requirements as long as they maintain continuous enrollment and finish the degree within a reasonable timeframe. For details, see “Satisfactory Academic Progress Policy” in the Catalog.

Numbering and Progression of Courses

The letters which precede each subject indicate the discipline in which the subject is found. The first digit indicates the year in the curriculum sequence. The second digit indicates the number of credits applied to the course. For example, NT2321 Synoptic Gospels, would be a New Testament course at the 200 or sophomore level, and it would be a three-credit course.

Undergraduate courses range from 100 (freshman) to 400 (senior) level courses. They generally follow a sequence, and many courses have specific courses that are required to be taken as prerequisites. Freshman courses tend to be introductory in nature, as reflected in the title of MI1212: Introduction to Global Missions. Sophomore courses often introduce students to foundational courses in a specific discipline. For example, PS2374 Developmental Psychology is one of the first courses offered in the Psychology Minor, and it introduces the student to the life stages of humans. The pace of the courses begins to increase at this stage, greater analytical skills are employed, and a higher level of reading is required to handle more technical textbooks.

Third and fourth-year courses are more in-depth and assume that the student has already acquired a basic knowledge of the field. Students are expected to employ advanced research

skills in the library and to use a variety of academic tools. Fourth-year courses often involve a capstone project that requires students to draw from various courses and to synthesize their knowledge. For example, TH4385 Biblical Theology requires a final paper in which students draw on their knowledge of all their Old Testament, New Testament, theology, and hermeneutics courses to develop a biblical theology of a particular thread or theme in Scripture. Throughout the program, assessments require greater levels of writing skills, processing and analyzing information, interacting with advanced ideas, and creative thinking.

Baccalaureate Degree

The Baccalaureate Degree fulfills the undergraduate requirement for like-education at the seminary level. Students pursuing the Baccalaureate Degree are required to choose a minor course of study in one of the following areas: Biblical Languages, Missions, Pastoral Ministry, Psychology, or Worship (dual enrollment students are exempt from this but will generally follow the Pastoral Ministry sequence).

Bachelor of Arts in Ministry Leadership with a Biblical Languages Minor

The Bachelor of Arts degree in Ministry Leadership with a minor in Biblical Languages consists of 125 semester credit hours: 44 in Bible and theology, 32 in ministry leadership, 30 in general education, and 19 in biblical languages.

Learning Outcomes (LO)

In the Ministry Leadership with a Biblical Languages Minor program the student will:

1. Demonstrate knowledge of the content, theological themes, and metanarrative of the Old and New Testament Scriptures.
2. Use sound hermeneutical principles to exegete the biblical text, apply it to daily life, and effectively communicate its message to contemporary people.
3. Articulate important biblical doctrines including God's self-revelation, the Mission of God, and Pentecostal Distinctives.
4. Understand the administrative duties associated with leading a church and various ministries and apply leadership principles in the field.
5. Learn the principles for effectively ministering to various age groups, developing leadership teams, evangelizing, and giving sound counsel.
6. Articulate and interact with a broad range of knowledge in the natural and social sciences, humanities, and the arts in a way that recognizes God's active self-revelation in all domains of human learning and as forming an important part of developing a well-rounded Christian life.

3 Credits

This course focuses on the basics of audio, video and lighting performance technologies. Students will learn concepts related to sound waves, audio frequencies, and loudspeakers. Students will engage in learning about equipment used in worship services through hands-on classroom experience. This will include all aspects of live sound reinforcement including cables, microphones, soundboards, in-ear monitors, and more. Upon completion of this class, the student will be equipped to set up and run a small system for a church.

MU4391 Senior Ministry Internship

3 Credits

Internships are designed to engage and prepare students for vocational ministry by developing and sharpening ministry skills through practice and application in a ministry setting. The student identifies the desired learning outcomes and, with the guidance of an experienced

ministry supervisor, pursues that learning objective. During an exit interview, students interact with a variety of ministry situations in consultation with the internship director.
